

5th Annual Halloween Fun Fly

Saturday, October 25, Time: 9 ~ 2 PM.
At the Tri-Cities Model Airport.

Free Admission!

The Johnson City Radio Controllers Club (JCRC) is hosting a fun-fly event. A fun-fly gives pilots to show off our aircraft, tools, and flying skills. We will have a variety of aircraft airborne throughout the day. If you are interested in any aspect of aviation, whether with airplanes, helicopters, or other types, just drop in and enjoy.

The J.C.R.C. is a non-profit club dedicated to educational and recreational use of model aircraft. We offer free flight training in order to allow everyone to enjoy flying model aircraft. Please contact us to take advantage of this free training.

An almost perfect landing.

Balloon pop event, skill on the ground.

The egg and his bomber, ready for another mission!

The limbo competition and egg drop in progress.

Pilots at the helm.

We will be raffling off several planes before lunch. Glow fuel trainers and aircraft from an estate sale will be on the block. *These planes will be priced to go, go, go!!!!* Now is the time to grab a great "new plane" for your air fleet! Come on out and enjoy the day.

Bowser Ridge Model Airport is located just off of Easter Star road, minutes from the I-81 & I-26 intersection.

Check our website www.flyjrc.com for details and directions.
