### ***Mowing Schedule information:***

- All members will pay a mowing fee \$30 (\$15 for Seniors\*)
- At the first meeting after the yearly membership renewal forms are due, names of members who want the opportunity to mow will be drawn from a “hat” to fill the season’s mowing Schedule. Those selected can chose their mowing date as long as it does not conflict with another member’s mowing date. Late renewal members will not have a chance to opt into the mowing program and full club dues and mowing fees will be due.
- Those members’ names that are drawn that actually mow will receive a refund greater than the mowing fee (\$45 anticipated for 2010). Mowing fee and refund amount will be announced each year.
- Those members whose name was not drawn will have a chance again the following year.
- If a member cannot mow because of the weather (determined by the field maintenance coordinator) their mowing fee will be refunded per the amount paid by the member to the club.
- Those members whose names were drawn and later do not want to mow will have to make arrangements for a member to substitute or no fees will be refunded. Substitutions must be coordinated with the field maintenance coordinator.
- Members 65 and over are exempt from mowing and will only contribute 50% of the mowing fee.
- Junior members under 18 are exempt from mowing fees and mowing.
- Members with total and permanent disability will be exempt from mowing fees and mowing.

### ***Senior Rate information:***

- To qualify for the “Senior” rate, you must be a full paying member of JCRC for 2 years.
