## President's Report

Most of our current club officers have held their positions for several years. It is time for a change, I have held the President's office for 4 years and the time has come to let someone else enjoy this job. Please talk to me or any other officer if you are interested in getting nominated for a club position, ASAP. Something to think about, as our club elections are just around the corner (the regular club meeting, November 29<sup>th</sup>), please volunteers for a position.

### August, and the summer coming to a close!

Thursday night grilling will end on the 25<sup>th</sup> of August, so come on out to enjoy a great evening, JCRC is the place to be this summer! Don't wait for the weekend to fly, come on and add Thursday evenings to your flying schedule with all of your friends.

Please check your bloody barons, combat time is here! Our July event featured combat events! More combat events to come!

**Notice:** Hobby Town is now stocking motors and speed controller for the bloody baron combat planes. Grab one before your buddy beats you to it. You can get the foam from Dollar Tree (2 sheets for \$2.00) a real bargain!

**On August 13<sup>th</sup>** we will be celebrating National Model Aviation Day. We will have a bloody baron combat contest and a fun scale contest. Details will be posted on the dry erase board at the field and by club wide e-mails.

*Reminder; our Halloween Fun-Fly will have a Weird Aircraft Competition complete with a **cash prize for the winner!** Time to get your weird on and get that strange contraption airborne.*

**Safety concern, be careful in the sun, bring plenty of water to the field and hydrate yourself!**

Thanks! Clear skies, smooth air, and safe landings!

## Combat/Warbird Event

The Combat/Warbird Event held on July 16 was great fun. I wish I could personally thank everyone who came and all those who participated. Phillip Rowan brought a beautiful P-51 and a Messerschmitt Me 262 which he flew. Herb Johnson brought his P-51 Gunfighter. A special thanks to George Baker for all the many warbirds he brought. There were too many to list. Just take a look at the pictures.

We had five competitors in the combat portion of the event. Jackson Bernard, Steve Black, Anthony Blair, Rolland Boles, and Ed McEntire really put on a show for the crowd. Most of these pilots did not survive the carnage.

Jackson Bernard out lasted Anthony Blair to win the combat event. It was a fly off to determine the winner and Jackson just stayed in the air longer to win. For this Jackson won a Flite Test Bushwacker. Congratulations Jackson.

## Coming Events

*Aug 13<sup>th</sup> - 3<sup>rd</sup> Annual National Model Aviation Day at the field.*

*Sept 3<sup>rd</sup> – Club Picnic & Scale Fun-Fly.*

*Oct 1<sup>st</sup> – Second Workday.*

Anthony did a great job cutting the streamers off other people's planes. Some of the streamers he carried with him.

I was very pleased with the number of people who attended the event. Thank you.

Mike

## Scenes From The Field
