President's Report

Greetings and salutations!

It is time for a change, I have held the President's office for 4 years and the time has come to let someone else enjoy this job. Most of our current club officers have also held their positions for several years.

Please, talk to me or any other officer if you are interested in getting nominated or want to nominate someone for a club officer position. Remember, it's your club.

Club elections are just around the corner (at the regular club meeting, November 29th).

September 3, will be our annual **club picnic**. Flying will start at 9:00am, with a variety of events. I would like to have several combat flights with bloody barons. Build them and fly! Detailed information on contests will be given out at our August club meeting and via e-mail.

The club will be providing BBQ from Phil's, all side dishes and desserts will be pot luck.

*Reminder; our last event for this year is our Halloween Fun-Fly. We will have a Weird Aircraft Competition complete with a **cash prize for the winner!** Time to get your weird on and get that strange contraption airborne (duct tape and bailing wire not included).*

Safety concern, the heat is brutal so be careful in the sun, bring plenty of water to the field and hydrate yourself!

Thanks! Clear skies, smooth air, and safe landings!

Anthony Hall
JCRC President
E-mail: president@flyjrc.com

Alien Aircraft Internal Bombay

Recently I bought an Alien Aircraft FunMaster kit from a friend. While getting ready to start construction I found the FunMaster kit contained a bombay kit. The bombay is made from light ply and is very simple to construct. Below are the parts:

Assembled the bombay is 4" x 4" x 2 3/4"

View with the doors closed.

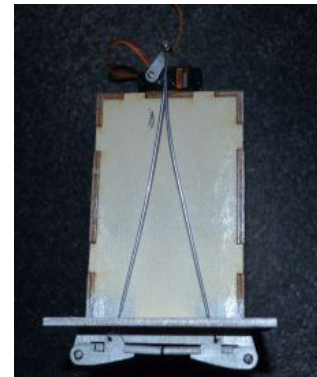

View with the doors open. There is plenty of room to make a decent candy drop.

Coming Events

August 30th- Monthly Meeting 6:45 pm

*September 3rd- Club Picnic and Scale
Fun-Fly 9 am*

September 27th- Monthly Meeting 6:45 pm

Above is a picture of the setup using a micro 9 gram servo.

Check the links below:
