# President's Report

Hello Club,

I want to start off by personally thanking everyone who helped make 2017 such a great year, we had several site improvements including a new 500' paved runway, pit tables, grill and refrigerator. We also reintroduced the weekly Chillin' & Grillin' so everyone can get to know each other better, we plan to start the Chillin' and Grillin' on May 7th.

We're already off to a great start this year, even with single digit temperatures the New Year's Day Fun-Fly we had over 20 members braving the temperatures to start the year off flying and fellowshipping. We also had a great turnout for the January Indoor Fun Fly with over 50 pilots and numerous spectators, we had several pilots come from as far away as Asheville to fly with us.

I'm very excited about 2018 and what we as a club can accomplish, my main goals and vision for the club for this year are:

- First is to expand our club with pilots who are interested in all forms of RC flight, we have been blessed with a facility that will allow us to promote our hobby to the community in a positive light.
- Second is to make our club "The Place to Be", we can accomplish this by making everyone who comes to JCRC feel welcome and encourage them to learn and grow as pilots.
- Third is to increase member participation, we can do this though the weekly Chillin' & Grillin' as well as events planned throughout the flying season.
- Fourth is to create a stronger flying community so members know what others are interested in, what they're working on and when members are competing at events or when they've received an award or special recognition. We need to be aware of fellow club's events and fly-ins so we can help each other promote our hobby so future generations can enjoy it as much as we do.

Below is a list of events that we're planning for 2018, my hope is that our club can make its presence known and we will be great ambassadors of this hobby.

**Indoor Fun-Fly (Kingsport Civic Coliseum) 2/17**

**Spring Fun-Fly and Swap Meet (JCRC) 4/21**

**Chillin' & Grillin' (JCRC) 5/7-9/24 Tuesday**

**Joe Nall 5/12-5/19**

**FliteFest Ohio (Malvern) 7/12-7/15**

**EDF Event TBD (JCRC) 9/1**

**Halloween Fun-Fly (JCRC) 10/27**

**E Week (TTAD) 9/24-9/30**

Tim

## New Years Day Fun Fly

# January Indoor Fly-In

## New JCRC T-Shirts

Here's our new JCRC T-Shirt design.

Don't worry if you didn't order one we ordered extras and will have them at the February Indoor Fly-In for \$20.

We also have club decals for \$3.
