**Weather Location will be announced by separate email if required**

## Club Activities

### Halloween FUN FLY and Swap Meet!!

The weather really cooperated for this event, which at this time of the year is pretty iffy. It was a beautiful day, a little nippy at first, but from about 11 AM on it was very nice with calm winds until around Noon. After that there was an intermittent stiff breeze, sometimes straight down the runway but most times right across the runway.

Several landings crossed the end of the runway at 15 feet and took the entire runway to get onto the Tarmac.

But some of the rest of us were also thankful for the tall grass on the hillside.

About 25 people showed up over the course of the day to fly and at least two folks showed up looking to clear out their surplus stuff. All in all, a great day with no **Tricks** (crashes) and lots of **Treats** (successful Maiden flights and good fellowship)!!
