### President's Message

Dan hasn't sent me a message for this edition, but let me say something instead. With the results of the election, Dan is leaving the presidency.

He was always saying "*I don't get paid enough for this job*," but he was paid for the job he did, because -

- we've had a 28% increase in membership,
- we added a shelter on the flight line,
- we have improvements to the sides of our runway,
- we held several very successful club flying events
- we hosted our first Senior Pattern Association event
- we conducted our first "Learn To Fly" Event and
- thanks to Tim and the members, three of the best years of Chill and Grill club Fellowship.

Thanks Dan, and I'm sure seeing our club move forward, even in trying times, has been the best payment of all. Even if we didn't pay you with sawbucks, we can say **THANKS** for all you did!!

It is time to start renewal of your membership. Remember you need to renew your membership before the 31<sup>st</sup> of December. Also, again this year, all new and RENEWING members will need to complete a membership form and send it with your membership dues. The 2021 form has been placed on the web site; there are copies at the field in the Forms Container, or contact Anthony Hall for a copy.

Remember, dues are to be paid by 31 December for the New Year. If you don't renew, then you won't get a membership card sent to your email with the new gate code, which will be put in place at the end of the 1 January 2021 First Fly Event.
