## The Presidents Report

Hello

If you missed the last meeting, you missed a real treat. We had one of the best turnouts ever and the food at the Firehouse Restaurant was great as always. We had a short meeting voting for the new officers, announcements and Ed took orders on club jackets. Then we got down to the real business at hand, hanger flying and FOOD. I hope every one had a good time. Thanks to all the families who were able to be there. This is what the club is really all about, good friends, family and safe flying.

The voting is over and we have quite a few new officers this coming year. Eddie Cline is the new president. I know from working with Eddie in the past, he will be very good in his new roll. I would like to remind every one Eddie is only one person and cannot do it all by himself. So, when asked, please try to help whenever you can. This should be my last newsletter for a really long, long time. So, before I retire, I would like to thank some people and give credit where credit is due. First Eddie Cline for helping me with the newsletter and making sure it was on time even when he wanted it the day before I had my part done. I also want to thank David Campbell for helping me when my computer was down. Ed Fenell did a great job as secretary this year. I know the field renewal would not have gone as smooth as it did without his help. Vic did a great job as usual as "head bean counter" and pattern teacher. Thanks to Ray for keeping gas in the mower and looking after the upkeep of the field. Scott for helping with the finance committee, he put a lot of time and hard work in the project. Also, I want to thank the other officers Don, Jared, and Duke for their hard work. Now, I would like to thank all the members for helping with the events we had this year. Every event came off with out a hitch. This could only have happened with everyone's hard work and cooperation. This just goes to show what good people we have in the club. Again, I say thanks to everyone who made my job easier. Without your help, there is no way I could have done it, thanks to ALL.

Safe Flying

## From the Editor...

This past year as Newsletter Editor has been a learning experience for me. I have gotten to know more about the club and its members. JCRC is a wonderful club that offers fellowship, learning, and relaxation. I feel that this club is an asset to the community. I hope that in the future we continue to find ways to give back to the community around us. I appreciate the opportunity that the club gave me in allowing me to be the Newsletter Editor. I am glad that you trusted me with such an important job. John Judd will be the Newsletter Editor this next year. John should do a fabulous job. He has a great deal of experience and interest in the hobby of RC flight. Remember to send your articles and advertisements to John starting next month.

Thank You  
Eddie Cline

Please try to get articles and advertisements to me in the first two weeks of each month. You can contact me by phone, letter, or e-mail.

Skip Weller welcomed members and their families to the JCRC meeting and Christmas dinner.

### **TREASURER'S REPORT**

Vic reported on the treasury balances.

Steve Weller made a motion to accept the report and Derwin seconded the motion. The motion was approved by the membership.

### **OLD BUSINESS**

Ed Fennell described the club shirts and the club jackets. He will order varied sizes for the club shirt. They should sell for around \$20.00. The jackets will be special ordered for each member. This will allow for the club logo and the members name to be embroidered on the jacket. Ed will be taking orders for the jacket until the first of the year. Then we will submit that order. If you want to purchase a jacket, contact Ed at 538-9667.

Nick announced that the incorporation process is under way. The attorney is drafting up our corporate by-laws for approval and application. More information to follow.

Kurt announced that the annual Boy Scout activity at the field is scheduled for one of the following dates. April 9, 23, or 30, 2005. The club needs to decide. After discussion, it was decided that the event would be held on April 23, 2005. This is a great event for the club so contact Eddie Cline to assist. Also, another Scout Expo activity will be held a Bristol Motor speedway on May 7, 2005.
