The President's Report

Hello Everyone,

I would like to thank everyone who made it to the last meeting.

I would like to thank Derwin Cartmell, Ed Fenell and Ed Ritsko for all of their hard work in planning, organizing and conducting the Giant Scale Fly-In. We had a good turn out and had great door prizes.

This month, we need to continue looking at the finance committee recommendations and proposed budget changes. We plan to vote on these during our September meeting. Please review the proposed changes and be ready to discuss them at this month's meeting.

I had planned to coordinate the Club Picnic in September. I have since learned that I will be unavailable to do this. I would like someone to consider taking the lead in organizing this event in my absence. Please let me know if you will be willing to do this for me.

Hope to see every one at this month's meeting. Come early and fly.

Safe Flying. Skip

Next Meeting is:
Tuesday August 31st, 2004 6:45 PM at the
Bowser Ridge Model Airport.

The deadline for next month's newsletter will be
September 15th, 2004.

Apology from the newsletter editor

Bill Lester had sent me a picture of the gang that attended the Cookeville event and I had difficulty getting it open and installed. Bill, please send it to me again and I will get it in the next newsletter. Sorry for my mistake.

Thank You
Roy "Eddie" Cline

Monthly Membership Meeting...

JOHNSON CITY RADIO CONTROLLERS MONTHLY MEETING MINUTES JULY 27, 2004

*Meeting Date July 27, 2004
Meeting Start Time 6:58 PM
Number in Attendance - 13*

*The meeting of the Johnson City Radio Controllers
was called to order at 6:58PM*

MINUTES

Skip asked the membership if they had reviewed the minutes as printed in the newsletter. Hugh Shelton made a motion to approve the minutes. Terry Bailey seconded the motion and the membership approved the motion.

TREASURER'S REPORT

Vic Koenig was not present so Skip read the balance to the treasury. Ed Fennell made the motion to accept the report and Derwin seconded the motion. The membership approved the motion.

COMMITTEE REPORTS

The events committee announced the status of the Giant scale fly in on Aug. 21, 2004. Everything is being prepared for a fine event. Ed and Derwin reported that advertising has been initiated and that several hobby suppliers are providing door prizes. Ed Ritsko has worked hard at getting vendors to donate. Ed stated that registered pilots would receive a T-shirt with their ten-dollar registration fee.

Eddie Cline will work the concession and he plans to have some coffee for the morning. Burgers and dogs are the rule of the day.

NEW BUSINESS

The Cookeville fly in is scheduled for Aug. 7, 2004. This is a very good event and it may be the last time at their field. If you want to go, contact Skip as many club members are attending.

Sept. 25, 2004 is the club picnic. We plan on having a relaxing day of flying and a swap meet with a picnic to cap off the day. The JCRC will provide the drinks; dogs and the members should bring a covered dish. Bring the family and enjoy relaxing flying and cookout.

Field clean up day is scheduled for Oct. 16, with a rain date of Oct. 24. This is an opportunity to spruce up the field before the winter months. Come on out and help clean up your field. If we have any food left from the picnic, we will cook out. Ask how you can assist.

Oct. 27, 2004 is the renewal date for the flying site lease. The Johnson City Commission will have to approve the lease at one of their meetings in Oct. Come to the meeting and support your club. We will have more info shortly.

Rhea reports that the mowing schedule is going okay. He has maintenance the mower and will continue to work the schedule.

FINANCE COMMITTEE

As you are aware, we have had meetings for the new proposed dues and we will have the membership decide in Sept. Come to the Aug. meeting so you will be informed of the proposal.

Roy Berryman sent a recommendation for the dues. That was discussed and the finance committee will review his proposal.

If you have additional suggestions for the dues, provide to skip and he will forward to the finance committee.

ANNOUNCEMENTS

Don't forget the Nolichuckey High Rollers fly-in on Sept. 18, 2004.

David of Hobby Town said that he will help with the door prizes and that he will have a booth at the fly in. He gave out catalogues for the membership.

Daniel Roberts won the door prize gift certificate.

Being no additional business, Skip adjourned the meeting.

Respectfully submitted by Ed Fennell

Budget Report:

Balance forward:	\$4423.53
Income:	\$ 237.00
Expences:	\$ 283.28
Balnce:	\$4277.25

submitted by Vic.

Reminder:

We will be discussing the suggested plans, and asking for comments and suggestions from the members this next meeting. We are asking all members to attend and voice their opinion. If you do not like what is being suggested please attend the meeting and offer your suggestions. If you do like what is being suggested then attend and make you thoughts known. Each member needs to take interest in this task at hand.

On The Building Board...

It is always interesting to see what kinds of planes others are building in the club.

Take Note:

Our lease renewal is coming up this year. We are asking anyone who has photographs of the field before and after improvements to allow us to make copies, which will be used in our presentation to the City. We need to put our resources together to present ourselves as a worthwhile organization. So that, the city will recognize that we have our and their best interest at heart.

We will cover the Giant Scale Fly-In in next months issue.
